2. Strategic expansion into Chennai with Teleperformance Global Business Services Pvt. Ltd.:

Following our recent entry into the Southern region through Bangalore operations, Voler Car Limited is pleased to announce our continued geographic expansion into Chennai, through a service engagement with Teleperformance Global Business Services Private Limited.

This strategic move marks an important milestone in our growth journey, as we continue to extend our employee transportation solutions to new regions and further strengthen our network of services for large corporate clients.

These developments are aligned with our broader mission to provide best-in-class, technology-driven mobility services while maintaining an asset-light business model focused on sustainable and scalable growth.

We request you to kindly take the above information on record.
